What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

1. To process transactions.

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested by the customer.

2. To send periodic emails.

The email address you provide for order processing, may be used to send you information and updates pertaining to your order or request, in addition to receiving occasional company news, updates, promotions, related product or service information, etc.

Note: If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you place an order or access your personal information.

These security measures include: password protected directories and databases to safeguard your information, SSL (Secure Sockets Layered) technology to ensure that your information is fully encrypted and sent across the Internet securely or PCI Scanning to actively protect our servers from hackers and other vulnerabilities.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our Payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will not be stored on our servers.
